Yuji HIRAKO

Member of the Board, Vice Chairman, ANA HOLDINGS INC.

Yuji Hirako is a Member of the Board and Vice Chairman of ANA HOLDINGS INC. Mr. Hirako was appointed to this role on April 1st, 2022.

Since joining ANA in 1981, Mr. Hirako has held numerous positions of responsibility in ANA's corporate headquarters. He spent much of his early career in the network planning division, during which time ANA started international scheduled services and undertook a massive expansion effort across Asia, Europe, and North America. He also served in New York as Senior Vice President for the Americas as well as General Manager of New York from 2012 to 2015. In 2015, he returned to Japan where he served as CFO, Executive Vice President, and a Member of the Board of both ANA and ANA HOLDINGS INC. until 2017. From April 2017 to March 2022, he served as President and CEO of ANA and as a Member of the Board of ANA and ANA HOLDINGS INC.

Under Mr. Hirako's leadership during his five-year term as President & CEO, ANA continued its international expansion and continually posted record profits until the industry came to a halt at the outset of the Covid-19 pandemic and passenger demand evaporated overnight. In the face of this crisis, he undertook dedicated efforts to engage in dialog with employees to create together ANA's "second founding" by promoting work style reforms that yielded profound improvements in employee engagement.

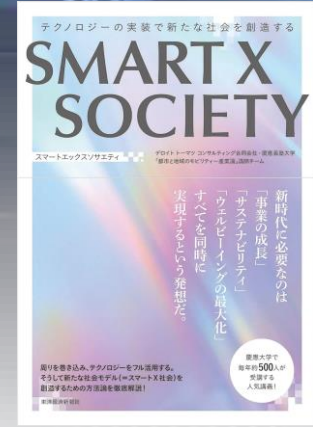

In addition to his corporate affairs, Mr. Hirako served on committees with the Ministry of Foreign Affairs, the Ministry of Economy, Trade and Industry, and now serves on committees the Ministry of Education, Culture, Sports, Science and Technology. His current focus is on innovation and human resource development through industry-academia-government collaboration. He is also chairing the Japan-ASEAN Committee of KEIZAI DOYUKAI- the Japan Association of Corporate Executives.
